

# Memorandum

**To:** Counsel of record and pro se parties  
**From:** Judge Nina Markette Baker  
**Re:** December 19, 2024, Carroll Civil Peremptory Calendar

---

Pursuant to Uniform Superior Court Rule 20, attached is a calendar of pending civil cases in Carroll County which will be approximately one year old by December 18, 2024 and in which the discovery period appears to have expired. Your appearance is required on December 19, 2024 at the Carroll County Courthouse, 311 Newnan St, Carrollton, GA, at 9:00 am in a courtroom to be determined to answer the calendar call.

In the event your case is ready for trial, it will be scheduled. In the event your case is not ready for trial, the Court will impose a scheduling order. **Failure to appear at the calendar sounding either in person may result in the Plaintiff's case being dismissed without prejudice, or the Defendant's answer, counterclaim and/or cross-claim being stricken.**

*One change from previous Peremptory Calendar instructions: If you believe your matter is pending an order or if you are waiting on a ruling in any matter, please let me know immediately. By my records, I do not see any open matters that should be closed or any motions pending a ruling, but again, if any are pending, bring them to my attention immediately.*

The only way a case will be removed from this calendar is by entry of a final order, an order of dismissal, an order of continuance or an order scheduling the matter for trial which has been signed by me and entered prior to December 19, 2024.

Thank you all in advance for your attention to this matter.
