

IN THE SUPERIOR COURTS OF THE COWETA JUDICIAL CIRCUIT

STATE OF GEORGIA

CARROLL, COWETA, HEARD, MERIWETHER, AND TROUP COUNTIES

AMENDED STANDING ORDER NUMBER 17

IN RE: CASE ASSIGNMENT

This Order amends and supersedes Standing Order 17, filed November 18, 2020. Effective January 1, 2021, the Clerks of the Superior Courts of the Coweta Judicial Circuit shall assign cases to the Judges of the Circuit according to the following parameters, rules and procedures:

I. CIVIL CASES

Civil cases shall be assigned when they are filed with the Clerk of Court. In assigning civil cases, the Clerks shall utilize the random assignment functionality that is a part of their respective case management software programs. It is the intention of this Order that case types of civil cases identified in the *Georgia Court Guide to Statistical Reporting (as updated on January 27, 2015)*, be distributed amongst the Judges in the percentages set forth in this Order in as detailed a fashion as can be accomplished by their respective case management software without resorting to custom programming.

II. CRIMINAL CASES

Criminal cases shall be assigned when the warrant is filed with the Clerk of Superior Court. It is the intention of this order that the Clerk of Superior Court receive criminal warrants for filing as soon as is reasonably practicable. The Clerks shall randomly assign criminal cases by utilizing the random assignment functionality that is a part of their respective case management software programs or by implementing a random manual assignment system of their choosing subject to the approval of a majority of the Judges of the Circuit. It is the intention of this order that criminal cases be distributed among the Judges in the percentages set forth in this order so that each Judge receives his proportionate share of serious felony cases and each Judge receives his proportionate share of felony cases that are not serious felonies. "Serious felony" cases are those cases defined as such in the *Georgia Court Guide to Statistical Reporting (as updated on January 27, 2015)*. Uniform Appeal cases shall be

assigned as hereafter set forth. In any situation wherein a defendant is accused of a misdemeanor and there is no related felony case, the misdemeanor case shall be treated the same as a non-serious felony case for purposes of assignment. Warrants shall be assigned from the lowest warrant number. However, when a Clerk receives multiple warrants on the same defendant, and those warrants charge both serious and non-serious felony offenses, the Clerk shall assign the warrants on that defendant based upon the lowest serious felony warrant number (i.e. the lowest serious felony warrant on a defendant shall take precedence over a lower non-serious felony warrant on the same defendant).
